I. Assessment Results per Student Learning Outcome

II. Course Summary and Action Plans Based on Assessment Results

1. Describe your overall impression of how this course is meeting the needs of students. Did the assessment process bring to light anything about student achievement of learning outcomes that surprised you?

We were very pleased with the results. It is really helpful to be able to continue the teaching/learning cycle once the students leave campus through the RTA review process.

2. Describe when and how this information, including the action plan, was or will be shared with Departmental Faculty.

The results were shared with all instructors of the course as well as the UA leadership team.

3. Intended Change(s)

Intended Change	Description of the change	Rationale	Implementation Date
No changes intended.			

4. Is there anything that you would like to mention that was not already captured?
